

ULTRA SWITCH

Sealed Toggles

Introducing the Ultra Switch. Our sealed toggles are ultra-durable, ultra-weatherproof and ultra-affordable—a MUCH better switch for a fraction of the cost.

Designed and manufactured exclusively for Kar-Tech, these switches are all boast an impressive IP68 rating and are good for more than two million cycles—more than twenty times the typical advertised operational life of our competition. Best of all, these switches are available for a fraction of the cost of a typical sealed toggle.
